It's really likely that I didn't find them all, so I went back and added to this from time to time. The pop quiz consists of three questions; The first two go to determine your highest stats at the beginning of the game, while the third chooses your possible ball date (it is not set in stone, you can still try to follow a different character in the actual game). The order of the questions is randomised. More links: Vera TutorialYour have to find questions and their results under cutstat questionsWhat is your ghost emoji?a. Caucasian guy with a turban because of fucking stereotypes. +CREATIVITYAb. Octopus emoji. The best animal on Earth. I know 5 mixed drinks, 3 drug cocktails, and 17 sex positions that include one or several octupi. +FUNc. Snowman, because the bastard is in the middle of a blizzard, smiling. He's got blizzards. And he's got a hat. +BOLDTh's your chance to fix global warming. Go ahead!a. Global warming is not real. I invented it, and now science claims authorship, because science is a lame imitator with no original ideas. +CREATIVITYAb. No, the world is doomed. But I will start investing in ships and start a profitable business for soon to be covered in water world. +WEALTHc. Hell, this country could really use a subject like this in schools. +SMARTSb. Turn people into your puppets through emotional war and deception 101. +CHARMc. How to properly strike a crocodile without terrible consequences. +BOLDIf you had to have sex with an animal ... which animal would it be? (You won't get six answers; the three responses you receive are randomized.) A. Great white shark. I have to fuck with an animal, let's at least make it a story worth telling! +CHARMb. Swan. They're classy. Plus it reminds me of the myth of Leda and Swan, so at least by the standards of bestiality it has some elegant appeal. +CREATIVITYAc. A human being because I'm the kind of douchebag who loves to find loopholes in stupid questions like this. +SMARTSd. Purebred horse. At least I can keep his sperm and sell it. It's worth a lot! Who said there was no silver lining for sodomy? +WEALTHe. Dolphin. They're the only other animal that just for pleasure, so at least we can both do everything we can to make a good look, right? +FUNf. No, I can fuck animal, it would be out of my own freedom. Actually, I've already the animal, so the joke's up to you, man. +BOLDThe best reality show would be... A. Twelve experts in the various art of seduction live in a house where they have to face a common challenge: to seduce potatoes into marriage... Somehow. +CHARMc. Eight rich people struggle in weekly challenges to find out who is best at giving money to you. +WEALTHc. People in different positions of power have to face all sorts of questions about their area, and if they fail, they will lose their jobs ... and society wins. +SMARTSY have the option to create a movie. It is based on ... A. The most influential Russian novelists xix century ... they're crazy! They can't remember anything last night, and now they can't find the Manuscript of the Karamaz brothers. and Dostoyevsky must add that today! +FUNb. Two cool guys walking away from a row of explosions. And they don't look at explosions. DON'T GIVE A FUCK ABOUT EXPLOSIONS! They think about life and love... AND IT'S SUPER DRUGS AND KICK-ASS BECAUSE THEY DO SO BY WALKING AWAY FROM A NEVER-ENDING EXPLOSION! +BOLDc. Something about superheroes, but with a love triangle between beauty still somehow relatable girl (maybe it's always said to be a mess?) and two super hot superheroes that are also like vampires or pirates, or both. Instant hit! +WEALTHDemocracy is just broken. What would be the best way to choose the leaders of modern society?a. Whoever can play the most heartbreaking violin solo wins. +CREATIVITYAb. You put all the candidates in an empty room... with a wild grizzly bear. Whoever kills a bear should be our president. If everyone dies, then it's clear: the bear should be our president. +BOLDc. We create a reality show called America's Next Top President, where candidates compete in all kinds of physical and mental issues. Turnout would increase and we would turn a profit on it! + FUNIf you could put a curse on your worst enemy, what would it do?a. I'd curse them to fall in love with a wonderful person and be happily married before they realize it all this time... Their partner was a wild panther in disguise! Then the panther brutally devours my enemy. Classic! +BOLDb. The curse always encounters annoying people at parties who are super into a new fad diet that they feel need to explain to them in detail. +CHARMc. You can't rely on the effectiveness of the curse. I prefer to take care of my enemies in an old-fashioned way: by exposing them to dangerous doses of radiation within a few years. + SMARTSWhat would be the best price you could find in your cereal box?a. A small piece of sharp metal, so every scoop will be full of excitement and danger! +BOLDb. The phone number of the sexy tiger on the front of the box. He's so passionate about breakfast and health that he's definitely a lover of grrreat. +CHARMc. Sample a nutritious breakfast option so people are encouraged to stop eating it Crap. + SMARTSWhat inanimate object do you think would be a best friend or friend, assuming you went criminally mad?a. A human-sized pillow depicting a figure I created. In fact, I have all the necessary paperwork and I am just waiting for the conservative narrow-minded laws of our country to finally step forward into wafiu and husbando territory as was clearly determined by God. +CREATIVITYAb. Vibrator, duh. +FUNc. Atm. Sugar baby life, here I come! + WEALTHWhich god do you pray to every night before bed?a. Praying is a little pathetic. I have a group text set up with some deity: Dionysus, Bastet, Loki... the best cats in town. +CHARMb. Praying is for fools. I took some compromising photos of the god molesting the tree, and now I'm blackmailing him for what I want. Much more effective. +SMARTSc. I pray to all kinds of gods. I have this business where people pay me to say my prayers every night. I even started looking for a Chinese factory for outsourcing prayers. + WEALTHProm date questionsWhat is the sexiest type of knowledge a lover can have?a. How to light things. ♥DAMIENb.
